

Local Businesses in Coupeville, WA

In 1987, more than 40 % of the county's population were employed by the military. Nowadays major employers in Coupeville are Island County and Whidbey Health Medical Center.

Service and retail businesses serve the island population and visitors attracted to the town's historic waterfront district and Ebey's Landing National Historical Reserve.

Retail businesses are located along North and South Main Street, Coveland, and Front Street along the waterfront.

In addition to 11 restaurants, cafes, and coffee shops, stores include art galleries, gourmet food, clothing, souvenir, and home decor retailers. With few exceptions, these businesses are operated by individual local owners.
